SPONSORSHIP PROPOSAL

We would like to invite your business to partner with Two Angels Foundation for its 11th Annual Miles For Smiles 5K to be held on Sunday, May 21, 2017 at Westfield Village Park in Westminster, CO.

Sponsorship provides an ideal marketing prospect for your business. We offer many levels of sponsorship and opportunities for involvement and provide businesses with positive brand recognition. As a sponsor, you can be part of a fun athletic event that promotes health and wellness in our community and supports a local non-profit.

Race Overview
The Miles for Smiles 5K is not only for competitive runners but also for families wanting to share a great outdoor experience. Since its inception in 2007, Miles for Smiles has continued to attract more competitors every year. The race moved to Westminster in 2016 and now features a lovely, inviting course through Westfield Village Park.

Following the 5K, there is a 50-yard Adaptive Dash where children will show off their speed using their adaptive equipment to walk, roll or ride to the finish line. This special event is a huge hit with spectators and participants alike.

About Two Angels Foundation
Two Angels Foundation, Inc., was organized in memory of Allyson and Rachel Mohatt. Both girls were diagnosed with a rare form of muscular dystrophy called Nemaline Myopathy, which ultimately took their lives when they were just five years old. Making the girls' lives as normal possible was their family's primary goal and because of the degenerative nature of the disease, that meant providing them with adaptive equipment so they could attend school and play with others.

Obtaining adaptive equipment can be a significant financial burden that, in many cases, is not covered by insurance. Two Angels helps families in need purchase adaptive equipment for home and school thus facilitating a more normal life for special needs children.

Sponsorship

Included below are the various sponsorship levels available and benefits. We welcome your consideration and would be happy to discuss sponsorship opportunities with you and how they can best meet your company’s specific needs.

Join us and help make a meaningful difference in the health and lives of the children and families.
